'Unofficial' Military Bases in UK?

Subject: 'Unofficial' Military Bases in UK?

Hi everyone! I'm looking for information on "unofficial" military bases in the UK. I know about Menwith Hill, and I know about the BMEWS at Fylingdales. I've seen a couple of "MOD - Navy" bases right at the very top of Scotland, but I'm keen to know if there are any others. Any help would be very much appreciated!

BTW ... any recent "Triangular shaped craft spotted over Manchester" reports in the last few years could be attributed to British Aerospace developing a multi-million pound triangular shaped aircraft. I know they're doing this as a definite fact (I've seen evidence) but I'm a little wary of telling exactly what I know on a list such as this, for, I hope, understandable reasons.

Thanks in advance for any help on the bases!

Dave
