Subject: Mars Global Surveyor's Michael Malin's web page

Hello there,

I just thought I add my two cents here. Michael Malin, the guy who actually built/designed the camera for the Mars Global Surveyor has his own web page. You might want to check it out too, considering he's the guy with his finger on the trigger so to speak...

He's already has a bunch of pictures up.

Here you go!! <http://barsoom.msss.com/>
