This individual wonders why he is failing to get his message across and writes

>"The only response from 'concerned Ufologists' has been to smear  
>me and to attempt to have me banned from Conferences! "

=====

T.Matthews seems to have forgotten his recent personal attacks on the integrity of many dedicated and well-respected UK 'Ufologists' such as Irene Bott, Omar Fowler and Ron West who have spent the past 40 years diligently trying to throw some light upon the UFO phenomenon.

This is the \*sole\* reason that he is no longer welcomed at UK Conferences.
