Subject: Billy Meier

Hi Errol, Hi List!

A German researcher colleague, Holger Bruns, has sent the following which might be of interest in the ongoing revelations about Mr. Meier. It is an email he wrote after he had read something about Mr. Meier in a German esoteric magazine.

-----His Email-----

Dear Robert Nathan,

I am working as a radio reporter for some German radio networks. Recently I met a group of UFO believers to get some information about their activities. They have a very religious and esoteric point of view and they gave me an article titled "Der Fall Billy Meier" (The Case Billy Meier). Billy Meier is an alien contactee. His story has been published by "Magazin 2000" in the issue Nr. 100. "Magazin 2000" is an esoteric magazine from Germany. The author, Michael Hesemann, wrote, that you and a person named Bob Post of JPL analysed the UFO photographs taken by Billy Meier. The result of this investigation: From a photographers point of view, the pictures are not a falsification.

It is a bit hard to believe that JPL supports an attempt to fit an UFO report to reality. My question is: How true is the JPL part of the Billy Meier story? I am very curious to read your answer.

Regards,
Holger Bruns

I have never been given good enough photos or video good enough to analyse. The Meier people have always only given me disorted and out of focus imagery to which all I could say was NO CONCLUSION POSSIBLE. THAT IS NOT AN ENDORSEMENT.
Bob Nathan

So here is another piece of the puzzle.
