 Subject: New Area 51 Pictures

Greetings list -

The S4 Database website has just posted new pictures taken of Area 51 apparently within the past week (if the dates on the captions are correct). The pics are very high resolution and show the most detail I've seen in any Area 51 picture. You can take a look for yourself at:

<http://area51.icom.net/area51/newpics/>

I'd be interested in hearing what the members of this list think of these new pictures. Take care.

Best regards,

- Blair Cummins
