Subject: Number of Triangles Sighted?

Can anyone give me statistics of how many sightings of the Flying Triangles have been recorded since the start of this year?> asked Roy Hale.

Roy, I am now creating a data base for all the UFO reports AUFON, American UFO News has received. Give me several days to go back through the issues and I will let you know how many reports have come to us.

I have been reporting all the triangle sightings that I have come across.

Do you want just American sightings or worldwide?
