Dennis & List,

'Never' appears to be an extremely fluid concept for a lot of people as a recent episode here (Oz) has taught us.

We have had the misery of our elected leader pushing a new tax on in the upcoming election - in the last election he ran a winning campaign on the promise to "Never Ever" introduce this particular tax. He won resoundingly. He now looks to lose resoundingly.

Back to the point - he now very vigorously defends his use of 'never ever' to mean one elected term. (We have certainly sunk to new low.) So does a military 'never' have have movable guidelines? Is it only in the mind of the perceiver?

Who knows what lurks in the heart of men? The shadow knows!
But I have certainly given up.

Regards,
Leanne
