Subject: Re: Ramey Office Photos Reveal Roswell Secrets

Hi all -

I was sitting here listening to the Oldies station, working on a project and it suddenly dawned on me that lots of people on this list have ordered the Fort Worth photographs in all their magnificent 16x20 splendor. Should be possible to duplicate the results of Dr. Johnson's team from these prints. I would certainly be interested in seeing the results duplicated by disinterested parties if for no other reason it would give us some documentation to counter those who believe that Twining's letter is the end all for the Roswell case.
