Updates readers who are interested in, or following, the saga of the hoaxed UFO photo from 1962 may be interested to learn that Alex Birch has now launched his own website to promote his story.

The site, jointly run with Alex's son Adrian, offers a special 'Birch Package' including the photo, Air Ministry documents concerning the case, and news cuttings.

The Birches also do a nice line in model UFOs, carved in wood, and based on the famous Howard Menger photos of the 1950s, and a range of artwork and other UFO products. The website address is:
