### EarthLights Site w/Webcam?

Subject: EarthLights Site w/Webcam?

Howdy Listers,

Within the last couple of months someone posted a web address for an earthlights research site which features a live webcam. This is not the old Project Hesdalen site (to my knowledge).

I bookmarked it when I first found it but, since installing some new computer equipment I've been unable to find that bookmarks list (shazbot!) so I'd appreciate any help in relocating this resource.

BTW, I've already tried looking thru the past posts as well as using the Ufomind index searches but to no avail. <sigh>

Thanks in advance.
