Dear Henny,

The Farari Case (Iran, 1976) you cite is very interesting and most famous.

Thanks for your pointer to Timothy Good's book Beyond Top Secret' (I've it).

This case is better explained (or, unexplained) in 'The UFO Cover Up', Fawcett-Greenwood.

But, in all the Islamic Countries I know of a black out in Kuwait after a UFO sighting; there was an IR-1 near a military base in Algeria. I've a photo from Morocco showing an alleged alien and a photo from Tunisia showing two flying saucer into strange triangular trails.

Best wishes,

Alfredo Lissoni
