>around in their field, that they cannot be trusted with
>confidential information... I understand this...but somewhere
>someone has to unite these people as a Unit and then they will
>control the leverage. Until then, we just wait...<sigh>

I see this claim about people losing their pensions and benefits for talking about secret things, however, of all the people who have spoken out about the secrets they possessed, such as Corso, Cooper, Dean, and others, I can't seem to remember one of these people ever having suffered the consequences of losing a pension or benefits.

Does anyone know of anyone involved with UFOs or abduction who has actually suffered loss of pension or benefits because they spoke out?

Rebecca
