Subject: Re: Mother Shipton and Natural Abductions

Here is a Mystery.

Lets take the worst case scenario, that the Prophecies of Mother Shipton are a hoax. Even if so, how did someone know more about abduction technology than most educated people know at the dawn of the 21stC?

Lawrie

And before the race is built anew
A silver serpent comes to view
And spew out men of like unknown
To mingle with the earth now grown
Cold from its heat and these men can
Enlighten the minds of future man.

To intermingle and show them how
To live and love and thus endow
The children with the second sight.
A natural thing so that they might
Grow graceful, humble and when they do
The Golden Age will start anew.

The dragons tail is but a sign
For mankinds fall and man's decline.
And before this prophecy is done
I shall be burned at the stake, at one
My body singed and my soul set free
You think I utter blasphemy
You're wrong. These things have come to me
This prophecy will come to be.

Mother Shipton
