And any visitors to London wishing to drink at the source, and discuss UFOs, crop circles, ritual satanic abuse or any of the other topics discussed on this list are very welcome to come along to the Railway pub, Putney High Street, London SW14 (just across from Putney rail station) this coming 4th July for the monthly Magonia Readers' Group meeting - I think they've even got American beers in specially for the day, so we can compare at first hand and slay the myth of English beer being "warm".

Cheers, slainte, l'chaim, al'a'lum, prost, sante
