I was with Max at the time he spoke to and recorded the Jonathon
Dagenhart interview. I know it is a true piece of evidence as I
was listening to the conversation.

```
I was also there when a very frightened Mr Dagenhart changed his
story after being 'pressured' I may not agreed with every
Sheffield Incident piece of 'evidence' but (although I cannot
rule out a very elaborate wind up) It was only after Dagenhart
had been pressured that his story changed.
