Dear Bill ( and Francisco )

.. Uh, does anyone have a date for this supposed incident?

The approximate location would also be nice. There are no less  
than three (3) Interstate freeways crossing the Mojave Desert in  
California.

Crashed saucer stories are relatively rare, and almost  
invariably lead to naught .. most especially if aliens are  
involved, 'nortic' or otherwise.

If there's a new one, I'm sure we would all like no know all  
about it no matter how 'distrubing'!

Best wishes

- Larry Hatch
