Hi Max, All

I dont do Jerry Springer so here is my comment:

"1. I challenge Max to name the Tornado pilot he claims was killed as a result of UFO action over the Peak District on March 24, 1997.

2. I challenge Max to name its base and its point of origin, and provide proof that a 20 tonne Tornado has been lost and all trace of its existence hidden from the public.

3. I challenge Max to produce one single eyewitness who saw a UFO attack and destroy a Tornado aircraft over the Peak District."

Respectfully,

K. Allen
