The First UFO Sighting?

Subject: The First UFO Sighting?

Hi all,

I know the following will probably cause a difference of opinion, but does anyone have an answer to the question?

It is not clear whether the person is talking about the very first sighting(!), the first alleged landing, or perhaps even the first alleged landing in the USA. Mention of the late 1800's could mean the airship wave.

Unfortunately I do not know the name of the person asking the question.

Subject: I have a question about UFO's
To: webmaster@ufoinfo.com

Dear Sir,

I have a question about UFO's. I want to know when and where the first UFO sighting occurred. I have heard that it was in Lodi, CA during the late 1800's. Also it was reported by an army general who said a craft landed and little men came out and tried to take him in the craft but he didn't go. I have no idea if this is true but if you know I would deeply appreciate it.

Please e-mail ASAP at this address:
