Hi Jenny,

I would like to ask you this simple question regarding the above  
statement.

Since you have 25 years of UFO Investigation behind you, could  
you please tell us if you personally believe at anytime in  
the last 25yrs or perhaps beyond that there has been at least  
one visit to this planet by any form of Extraterrestrial craft?

I know you have written a lot of books and columns in magazines  
and given great lectures around the world, but do you think that  
Earth has ever been visited by any form of Extraterrestrial  
life?

Yes or No?

Roy..
