As I said in answer to another post of Henny van der Pluijm, I hope that an agreement will be made to put a translation on the internet, once VSD has sold its stock, which should not take very long, apparently.

FUFOR intends to translate and it would be fine if they reach such an agreement. The person to contact is Bernard Thouanel, to whom I send a copy of this.

I am a bit surprised by your reaction here. In my opinion, nobody has shot Roswell to pieces, especially not the Air Force, not the autopsy footage, and not kent Jeffrey!

Apparently, the French military may have some good information on that ...

Best regards
Gildas
