Dear Group,

My name is Arthur Rudd and I live in a small village in the UK called Passfield, Nr Liphook in Hants, last night (14 - July - 99) at 9:45ish I happened to look up into the South Sky to see a Green and Blue like comet moving quite fast, it was in clear sky for about 2 - 3 seconds and then gone.

I watch for many hours later with no sight of any more....

For more info if interested please mail to arthur_bit@compuserve.com or arthur@bit.co.uk
