Dear Mr Gilbert:

Somehow, I have difficulty seeing two fellows, late from some  
pub, successfully oiling a pair of roller skates -- let alone  
hoaxing a decent crop circle.

It sounds more like a gang of four ( or six or eight ) all of  
whom have agreed on some agenda of humor or whatever.

In any case, I think these matters belong on some "cereology"  
page or discussion group.

I cannot find a link to ufology outside of the predictable  
failings of the human specie

Best wishes
