Hi Mark,

Thank you for your lucid response to Mr Rimmer, and to my post. I was not going to respond at all due to the 'personal' terms John's missive was couched in. John Velez this, and John Velez that. My name gets used ten times in as many paragraphs and there was more than a little 'foaming at the mouth' going on than I am comfortable with. :)

You addressed the 'content' of my post, whereas Mr Rimmer seems more more interested in going after me personally.

I'm not the "meat" that is on the table.

Again, thanks for you contribution to the conversation. It was an informative and thoughtful post Mark.

Peace,

John Velez
