Subject: JIG Passes - More Than Swamp Gas

The world has lost a major mojo, a man who will be hissed a man who was once described as, "That jerk!" In fact, he was often referred to that way.

J. Jaime Gesundt passed away (rumor has it) just moments ago, from an aneurism of the liver. He went quickly. As life faded from his jaded but spade ... uh, eyes, he uttered, "I didn't wanaa tell no body, but I have the truth. I shall take it wit me, cause I don't want no body callin me a jerk, eh?"

His last words were, "Tell them, tell them, (gasp), tell them Sal Mineo was a Jew. And tell them, tell them, tell them that UFO's are real, and tell them that, that, (gasp) abductions are real, and they are here. Tell them "they" are among us.

And tell them I lied about all them Ph.D.'s. I only got five.

"Last, but not least, tell all them mothers what said they had the truth to go (deleted) themselves into oblivion and die of thirst, like that Judas Priest guy." (It was Frankie Lee).

J. Jaime will be burried in a "T-shaped" coffin later this afternoon. He wanted it that way. Along side J. Jaime, will be a folded and freshly powdered Julio doll. It was his last wish.

According to his last will and testament, everything he owns would have gone to Lehmburg's Ford fund, but after what the poet lauriate said about J's secret friend, Mr. Ramalamading Dong, this will not happen. You see, they were more than friends.

Requiacet in pacem, dude. Dr. J. Morty Mortellaro will deliver the eulogy later, after he stops laughing.
