>Subject: Sighting Report - NY 09-18-99

>Hello All,

>Today at 3:47 pm there was a white, spherical object hovering  
>directly over my house. It remained motionless for approximately  
>45 seconds and then it (very) slowly began to move off in a  
>South Easterly direction.

>I have asked before, and I'll ask again. Does anyone have any  
>idea what these white spheres are? I am a highly skilled  
>observer, (a couple of folks on this list will attest to that  
>having spent some time with me skywatching) this thing moved in  
>an anomalous way, (hovered in one spot and then moving in a slow  
>straight path away from me) It was -not- a balloon, or a bird,  
>or an airplane. Believe me, I know the difference. I have seen  
>and recorded these objects for several years now. To date, no  
>one can tell me 'what' they are.

>Bruce? Anybody? Have you seen pix or video of these white  
>spheres before? It's the same stuff that Tommy King shoots in  
>Arizona, others record over Mexico and many other countries  
>around the world. My shots of these objects are not unique or  
>singular.

>Anyone who archives or records sightings is welcome to add this  
>report to their database. The pix are not to be copied or  
>reposted without my permission. I include them as corroboration  
>for my sighting report and 'FYI' for my fellow UpDates list  
>members only. Please don't let me find them splattered all over  
>the web. I don't know what these things are and I don't want  
>anyone 'speculating' for me without my knowledge. "Some folks"  
>on the web have no scruples that way.

John, I have heard a similar story which occurred in New York City a couple of weeks ago. Video was shot of this large shpere. I have not seen it yet, but hopefully will soon. I cannot release any other details at this time at the request of the person who took the film.

All I can say, is that I have ask a well known UFO Investigator in the area to talk to the person and check out the video.

REgards, Mike
