>I know there are possibly a few people on this list who think
>Rendlesham was a major UFO case.

>BTW; What Post Generation group do you put yourself in? <LoL>

I would like to know where it is proposed that the Rendlesham incident involved a crash at all. It is my understanding that it involved an unexplained sighting, which has now generated a variety of responses from researchers. I also have not heard of a "nail in the coffin" that would put this case behind us, but I'm sure there are others who disagree.
