Subject: UpDate: Crop Circle Hoaxing

Hi all

Why has a group of hoaxers decided that now is the time to announce that they are going to create a design. After another summer in the fields of Wiltshire I find it quite remarkable that we are still entertaining the hoax theory.

Circles with rings are very straightforward creations. The formation Avebury Trueloe in Wiltshire is in a different class.

If any UFO UpDates subscribers would like to see some of this year's designs please check out my website.
